**BEING** a By-law of The Rural Municipality of Lac du Bonnet to establish Methods of Payment for all payments to the Rural Municipality of Lac du Bonnet and to repeal By-Law 08-19.

**WHEREAS** it is deemed to be in the best interests of the corporation to authorize the payment of taxes, and for specifying the terms and conditions of such payments;

**AND WHEREAS** in accordance to Section 232(2)(d) of The Municipal Act, to establish fees or other charges for services, activities or things provided or done by the municipality or for the use of property under the ownership, direction, management or control of the municipality;

**NOW THEREFORE** the Council of the Rural Municipality of Lac du Bonnet as a by-law the following:

1. This By-law may be cited as the "Methods of Payment By-law".
2. In this By-law

3. Subject to the provisions of this by-law, annual tax levies may be paid to the Rural Municipality of Lac du Bonnet by the following methods:
  - a) Cash
  - b) Debit
  - c) Cheque
  - d) Money Order
  - e) Credit Card (through Option Pay)
  - f) E-Transfer
  - g) Online Banking
  - h) Tax Installment Payment Plan (TIPP) - is a payment plan which allows taxpayers to make monthly preauthorized payments for property taxes rather than a single annual payment in September.
4. Any payment returned by a financial institution for any reason will be subject to a NSF administration fee, as set in the most current RM Fee & Charges By-Law, to be added to the taxpayer's roll. Written and/or verbal notification will be provided to the taxpayer advising that the missed payment will need to be made. Personal or business cheques will not be accepted for payments returned by a financial institution.

**Tax Installment Payment Plan**

1. Annual tax levies may be paid to the Rural Municipality of Lac du Bonnet in installments by taxpayers who meet the following criteria:
  - a) The taxpayer completes an application for the Tax Installment Plan in the form attached hereto as Schedule "A" to this by-law and submits that application to the CAO or designate.
  - b) All current taxes, arrears and associated penalties must be paid in full on the subject property prior to approval.
2. Calculation of tax installments shall be as follows:  
Tax installment calculations will be based on the previous year tax levy divided by 12 months, payable monthly from January to June with the remainder of the year being calculated by using the current years' tax levy less installments from July to December.
3. All accepted payments shall pay the monthly installments calculated by the CAO, or their designate, on the 15<sup>th</sup> day of each month, or the next business day following a weekend or general holiday. Receipts are not provided upon each withdrawal. The applicant will reference their bank statement as proof of payment.
4. Installment payments made under the provisions of the Tax Installment Plan will not be eligible for any form of interest or discount.

5. Notice of payments returned or removal of a taxpayer from the Tax Installment Plan by the CAO or their designate shall be sent to the taxpayer by ordinary mail to the address listed on the property tax roll and to the email address provided by the taxpayer.
6. The Rural Municipality of Lac du Bonnet will automatically cancel the taxpayer's participation in the Tax Installment Payment Program if they miss two (2) consecutive monthly payments or if they initiate a "stop payment" at their financial institution.
7. If the taxpayer wishes to re-join the program, provided they were not removed due to missed payments, the taxpayer is considered a new applicant and must complete and forward a new application. This will also apply to selling the current property and purchasing another.
8. Two weeks' written notice must be given by the applicant to change financial institution information, or to request to be removed from the plan.

Where a taxpayer is removed or withdraws from the Tax Installment Plan prior to the full payment of taxes, the CAO shall retain all installment payments made by the taxpayers and apply the sum against the current years taxes that have been or will be levied against the said land.

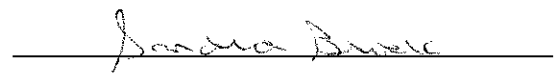

All provisions of the Fees and Charges By-law shall apply to the taxpayer for any and all outstanding taxes that remain unpaid for that year.

9. Any amounts other than the Municipality's annual tax levy which are added to the tax roll, shall be payable by the taxpayers outside the Tax Installment Plan and are subject to the provision of the Fees and Charges By-law.
10. Taxpayers must contact the Municipality to report a change in address, contact information or ownership.
